

Privacy Policy

App Name: Pistoia Sotterranea Audio Guide

Developer: CraCrate Inc.

Effective Date: 2025-01-01

This application respects and protects user privacy. The app does not collect, store, or transmit any personal information or identifiable user data. No login, email, location, or other personal data is required or gathered during app use.

Data Collection

The app does not use any analytics tools or third-party SDKs to track user behavior. All usage is local to the device.

Children's Privacy

This app is suitable for general audiences and does not knowingly collect information from children under 13.

Third-party Services

No third-party services are integrated within the app that collect user information.
